# Module 1 Review

## Month 1: Fundamentals of AI/ML & Math | Week 4: Math: Probability & Statistics | Day 3

---

### Theory & Concepts

**Review:** Re-watch 3Blue1Brown's 'Essence of Linear Algebra' Ch 1-3. These are the foundations you will use every day.

### Practice Exercises

**Self-Check:** Can you explain what a 'Dot Product' represents geometrically? (Projection/Similarity).
